

DASSAULT SYSTEMES TECHNICAL SUPPORT

ENOVIA SmarTeam V5R17: RDS 2.6 for SMARTTEAM – Multi-site

Module: SMARTTEAM – Multi-site

Description

From V5R17, SMARTTEAM – Multi-site supports RepliWeb's RDS 2.6 for Vault (File) replication between sites.

RepliWeb (RDS) 2.6 is now available for download from the SmarTeam Corporation's Support web site.

Installation Instructions

Download the file and run the executable.

Refer to the Smart Multi-site documentation for complete installation and configuration instructions.
